The 1960 Buccaneer

BUCKINGHAM CENTRAL HIGH SCHOOL

Buckingham, Virginia

FOREWORD

The Buccaneer is a symbol of a jolly adventurer in the days of old - so is our '60 BUCCANEER as it comes to you reminding you of the happy days shared during the past year and allowing others a brief insight into the activities we the students have enjoyed.

We sincerely hope that your judgment will be favorable on the various phases of our school life and that you will always treasure this souvenir of your youth.

To all who have helped bring this memento to you, we gratefully say "Thank You."

DEDICATION

A principal should be an executive, leading both the faculty and the student body, giving advice and helping whenever possible. He should guide with a firm hand, making decisions for the good of all concerned.

Though you have only been with us a short time, you have proven yourself a capable leader and a strong asset to our school. For these things we now dedicate the 1960 BUCCANEER to you,

Mr. Ted Alexander

The Beta Emblem stands for Achievement, Character, and Leadership. Our Club with the aid of its efficient sponsor, Mrs. Scott, has tried to uphold to the best of its abilities these standards. We remember the Snowflake Ball at Christmas and the fun of the Convention at Roanoke as well as the May Day and induction of new officers in the spring. The students asked to join are required to have an average of "B" or better in all their school work.

We are very proud of the Senior Hi-Y for its many accomplishments this year. Delegates attended M. G. A. and district meetings, we gave devotions over the P. A. System, and we participated in many community and school activities. We have tried in all of our projects to uphold the high standards of our club.

JUNIOR HI-Y

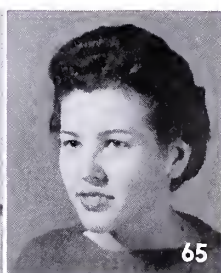

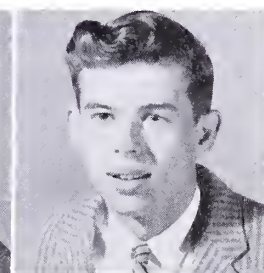

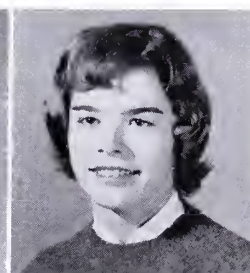

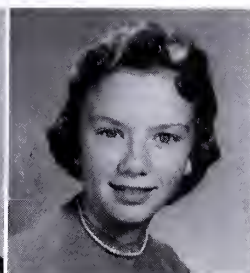

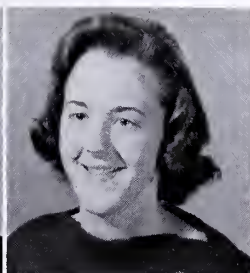

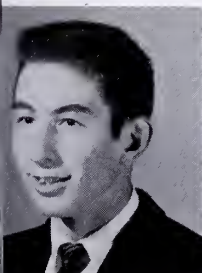

The Buccaneer Co-Ed Hi-Y had a very successful year.

Among some of the activities of club we find that at the Christmas season devotions were given over the P. A. system, favors were made for hospital trays, a basket of food was prepared for a needy family at Thanksgiving.

The club feels it has carried out its purpose which is "To Create, Maintain and extend throughout the home, community and school high standards of Christian character."

MAJORETTES

A baton signifies the pretty girls in smart uniforms who strut ahead of the band. Even in winter weather our majorettes braved the cold in their short skirts adding color and interest to the group. Ruby Maxey, Drum Majorette, should be commended for the good job she did with her girls this year.

THE B.C.H.S. BAND

As we look back through our souvenirs of high school, we find a music book and remember our Band. We remember the fun of loading the bus for The Tobacco Festival and football games. Everyone enjoyed the humorous presentation of "Junior Joins the Band" and marching in the Dillwyn Day parade and then the Music Festival in May. As we turn these thoughts over in our minds we realize that none of these enjoyable excursions would have been possible without our fine director, Mr. Knapp. It has been through his dedication and determination that our band has succeeded.

BOYS' CHORUS

Pleasant memories of having been a member of the chorus will linger long in the minds of its members. Also fond memories will persist among those who have heard well loved stories expressed in vocal music. Many occasions and programs have been strengthened and made more expressive by the boys' and girls' choruses.

GIRLS' CHORUS

This year the choruses presented a song service in chapel for the Thanksgiving school assembly and at Christmas an operetta, "The Nativity." For the first time an operetta, "My Old Kentucky Home," was presented at the music festival.

We feel greatly indebted to all the members of our choruses for the manner in which they fulfilled one phase of our music program at B. C. H. S.

Coached by Billy Franklin and captained by Linwood Thomas and Barry Falls, the '59 Bücs had a season of six wins and four losses. This year the team gained more yardage and had better passing than in 1958. Next fall thirteen seniors will be greatly missed, but Coach Franklin feels that we can look forward to a successful season.

BASKETBALL CHEERLEADERS

We have had two exceptionally good cheering groups this year. These squads headed by seniors, Sara Sneed and Joyce Anders, with the help of Mrs. Spencer, have cheered for alternate games throughout the season. The girls picked attractive and unusual uniforms consisting of white pleated skirts with maroon and gold wes-kits and white blouses, in which they cheered both teams to VICTORY.

BOYS OUT FOR BASEBALL

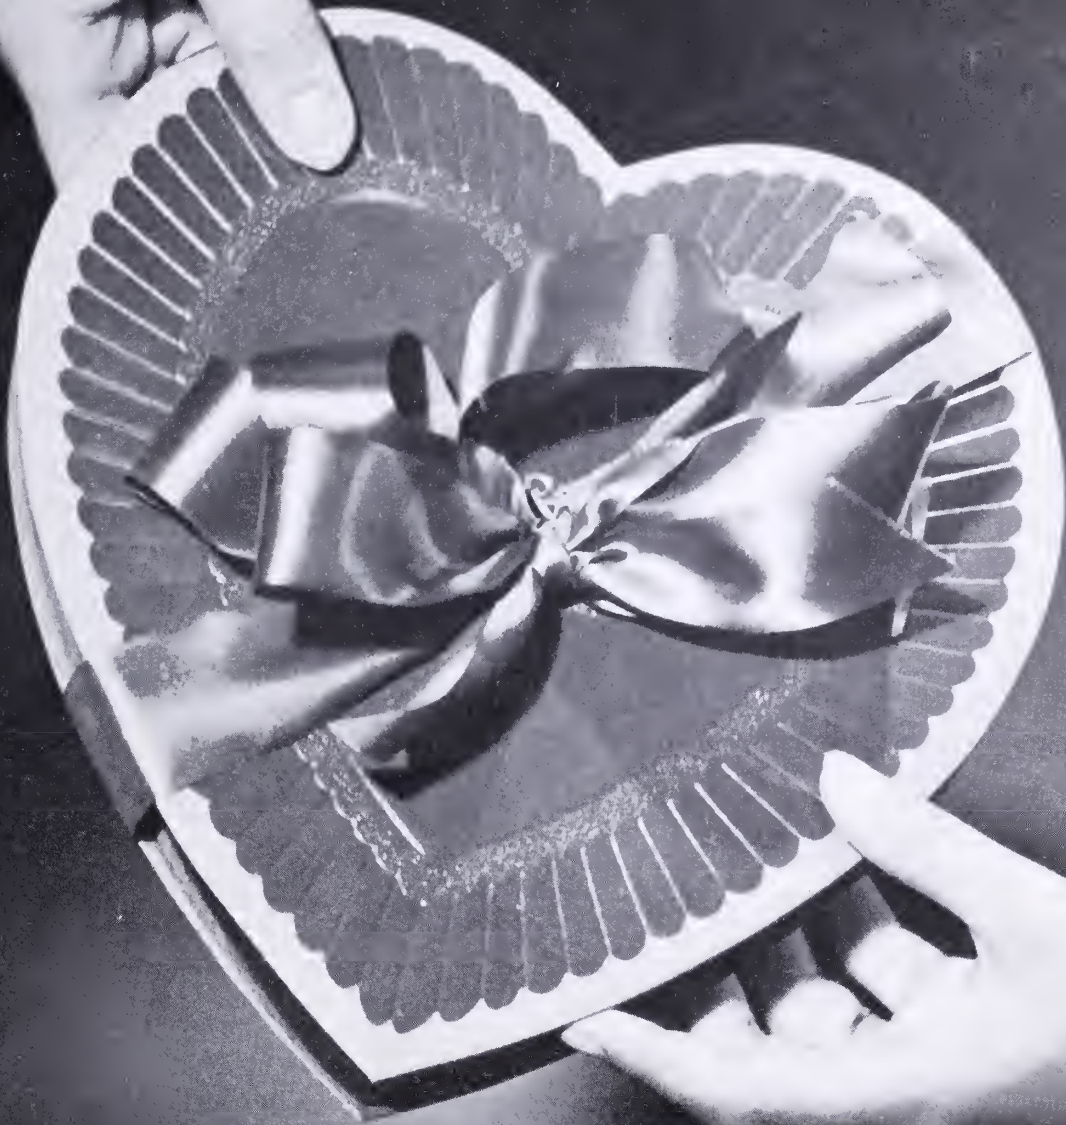

The outlook for the baseball team is very bright with eight returning lettermen. We also have a new coach this year, Mr. Glover. We are sure that they will have a very successful year and we would like to wish them the best of luck.
